

Faith Promise Offering

Sunday, March 29,

Dear Members of Berean Baptist:

We will receive our FAITH PROMISE OFFERING Sunday, March 29. Faith Promise Offering is not a cash offering--It is NOT a pledge--It is a SOLEMN PROMISE to God that, as he gives you the increase during the next year, you will act as a faithful steward and return a portion of it to God for World Missions. It is a private contract between you and God. It is a FAITH PROMISE OFFERING TO GOD. You give as God gives. There is no obligation on your part to give the offering if God doesn't supply it.

You determine in your heart what kind of weekly offering you would like to give God. You trust God on a weekly basis. You give weekly because lost men and women need the gospel today--THEY CANNOT WAIT. TOMORROW MAY BE TOO LATE!!! The FAITH PROMISE OFFERING requires you to trust God to enable you to give a specific sum for missions during the year that lies ahead. I repeat, FAITH PROMISE IS NOT A PLEDGE--IT IS A PROMISE MADE IN DEPENDENCE UPON THE LORD!

The FAITH PROMISE OFFERING will develop us in faith, greatly increasing the church's present missionary giving, automatically increasing the church's regular offerings, will awaken our members to the need of lost souls around the world, and will keep our hearts revived. Please join in prayer asking God to guide you and your family members in determining what each should PROMISE BY FAITH to give to missions each week, then trust Him provide the amount.

The Faith Promise Offering is not a tithe. A Faith Promise Offering is in addition to the tithe. A Faith Promise Offering is not an offering pledge. It is an individual matter between you and God. The Faith Promise is a spiritual and systematic way to fulfill THE GREAT COMMISSION. By giving weekly, the work of missions will be done, the missionary will be assured of receiving his support, and the church can depend upon a definite program in making plans for missions.

Faith Promise is nothing new--It is a revival of the plan the Apostle Paul used to finance his missionary journeys. In a sentence, the Faith Promise is allowing each member of the church to become personally involved in the task of world evangelism. Every member of our church can make a FAITH PROMISE OFFERING because every member has the ability to exercise FAITH IN GOD! I am trusting God with you for a great FAITH PROMISE OFFERING on Sunday, March 29. Let's give by faith--joyfully and generously.

Also, teach your children missionary giving -- see that they are given money to give God through their Sunday School class each Sunday. God's blessings will rest upon your home and family members as you instruct your little ones to be faithful in giving to missions.

May God grant you increased faith courage, and a merciful heart to stand loyally by your faith promise offering!!!

Yours for World Missions
